

PV Grazing Radish

- Palatable
- Plentiful
- Persistent

**All the intake you need for
summer grazing**

**Achieve High Production by
Increasing Intake and Feed Quality
With PV Grazing Radish**

Feed	Dry Matter Digestibility	Crude Protein	Metabolisable Energy
	%	%DM	MJ ME/LB DM
GRAZING RADISH	81	16	5.5
Corn	69	8	4.5
Cereals	62	8	4

The answer to Corn & Sorghum for summer grazing

Drought & Heat Tolerant

Ease of Sowing

High Metabolizable Energy
